Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 23 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Light rain arriving overnight.

This Evening and Tonight:
Staying cloudy with a band of light rain arriving from the west overnight. This rain will largely clear Wales by dawn, with some clear skies over western Wales too. Winds easing overnight. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Any lingering light rain soon clearing to the southeast in the morning, leaving a dry day with plenty of sunshine. Winds picking up by evening further north. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Showers with hail and thunder on Thursday and Friday. Winds strengthening on Friday and feeling colder with wintry showers over the hills. Drier on Saturday, with showers and winds easing.
